OLD SETTLERS' DAY SCHEDULED FEBRUARY 23

OUTSIDE FIRMS NOT REQUIRED TO PAY \$10 VEHICLE LICENSE FEE UNDER AMENDED ORDINANCE

Out-of-town concerns doing business in Campbell won't have to pay the \$10 yearly vehicle fee required by the business license ordinance it was decided at City Council meeting Monday night.

Council instructed City attorney Joseph R. Bonacina to draw up an ordinance amending the original provisions.

Outside firms will still have to pay the regular business license fee of \$25 a year required of firms in Campbell.

Also exempted from the tax are public utilities which though not listed in original ordinance were asked to be specifically exempted to prevent question of the clause covering unclassified business.

In other council action City engineer Mark Thomas was directed to inquire further into possibility of installing a traffic light at the intersection of Hamilton Ave. and San Jose-Los Gatos Highway.

Reading from a letter from State Division of Highways Thomas pointed out that state officials were hesitant to install lights unless four-way traffic lanes were built in which case the city would be assessed for half the cost. Thomas said that highway officials thought light would be a hindrance to plans for route five which is planned for that area.

Council also set Monday, Jan. 26 as new date of hearing of application of Ralph and Sarah Relp to build a concrete commercial building on lot six of the Rucker Subdivision.

County's Share Of Truman Budget Will Be \$586.57

Santa Clara county's share of the \$78,587,000,000 "lame duck" spending budget proposal for 1953-54, presented to congress by President Truman on January 9, will reach about \$208,525,000, at the \$586.59 statewide average per capita for the 355,500 people in the county, California Taxpayers' association estimated today.

For California as a whole, the proposed federal spending program—if it not reduced by congress—will reach an estimated \$6,939,232,000, at the statewide average of \$586.57 per person for each of the state's 11,830,210 population. Every billion dollars that congress cuts out of the 1953-54 spending proposal means about \$7.50 saved per person in California—or about \$30 saved for each family in the state.

"When congressional committees get to work on the new budget, they will find wide areas where reductions can be made," the Taxpayers' association said. "Congress should make a realistic federal spending budget, hold it to actual needs, and start to reduce the national debt, so that taxes can be cut," the Taxpayers' association declared.

Campfire girls and Bluebirds of Santa Clara County will start candy sales January 30. Sale will end February 14.

Scouts and Parents in the Campbell Scout District in the High School District. This will be the outstanding court of honor of the year as two Scouts have qualified for the Eagle badge. Several boys have also achieved Life & Eagle Ranks and will be recognized at that time.

Scout Troops of the District are encouraged to submit news of their Unit activities for this Scout Column. Present District Scout Unit enrollment is 11 Scout Troops, 11 Cub Pack comprising about 65 Dens and four Explorer Units. An interesting Scout Column could be had if each would submit news of their activities.

High School Class Contributes Work To March of Dimes

Campbell Union High School's second year typing class, taught by Miss Phyllis Zemer, this week concluded an important phase of the 1953 March of Dimes campaign in Santa Clara County by finishing addressing 20,000 direct mail appeals for the fight against polio.

The benefit from the project worked both ways: March of Dimes got a large and significant credit for work in an important piece of work done and the high school students received academic part of office procedure, namely addressing envelopes.

Miss Zemer made a regular instruction unit of the project. She taught various methods of rapid feeding of envelopes and finally had the class address the March of Dimes mailing pieces.

Students were graded on speed and accuracy. Afterwards, they held an evaluation session in which they discussed the importance of speed and smooth performance and

the cost per envelope to an employer in situations where a commercial job is involved.

Work of the students was hailed by Parker L. Hathaway, County campaign chairman, who pointed out that volunteer efforts such as the high school contribution will spell success for the 1953 campaign to raise \$75,000.

"In a campaign that is as far-reaching as the March of Dimes", said Hathaway, "it is imperative that we have the widest possible participation. Polio is unpredictable. It could strike anyone at any time. The more people who join in this fight to conquer polio and care for its victims, the more complete will be these efforts."

Central Fire District Celebrates At Cambrian Men's Club Potluck

The fifth anniversary of the Santa Clara County Central Fire District was celebrated by the Cambrian Men's Club at a potluck dinner held in the Cambrian Fire Station, San Jose-Los Gatos and Casey Roads on Monday evening, January 12th.

There were 90 people in attendance at the event, including dignitaries of Santa Clara County: County Manager Frank H. Thill, Supervisor Joseph M. McKinnon, Supervisor Walter S. Gaspar, Supervisor Ed R. Levin, Central District Fire Commissioners John A. Mirassou and Millard E. McCollam; Fire Chief Henry Lingua, Assistant Chiefs Fred Lühring and Hugh Turner and the wives of the last three.

The assemblage was entertained with music, ventriloquism and sleight of hand performed by the "Fire Laddies". Community singing was also enjoyed.

The Cambrian Men's Club has held this commemorative dinner annually since the start of the Central Fire District and the members take great pride in being the instigators of the district.

Three problems confronted the club in the spring of 1946. Two very costly fires had occurred in the space of a very few months. Then the State Forestry Department had given notice that on July 1, 1946, the coverage by the State Forestry of all areas of the floor of the Santa Clara Valley would be discontinued by that department. This announcement was followed by a notice sent out by various fire insurance companies, stating that in event the State Forestry discontinued its protection, the fire insurance rate (at that time, \$1.10 per \$100) was to be increased 20 per cent.

A committee was formed by the Cambrian Men's Club to try to determine what the cost would be to form a fire district for Cambrian. Working with the Board of Fire Underwriters and the Assessor's Office, the committee determined that the cost would be too great for the district to undertake. It was then suggested that the Cambrian district join the Campbell Fire District. Several meetings were held with commissioners of the Campbell Fire District. It was established that the cost, again, would be too great with the small saving that would be made in the fire insurance rate. The matter was shelved.

Looking over a map of Santa Clara County and noting the then existing fire districts, the committee found that a very large area would be left without any form of fire protection if and when the State Forestry withdrew. The committee was instructed to gather all the information it could as to the assessed valuation in the unprotected area, along with the Board of Underwriters' recommendations and the amounts that could be saved on the insurance rate. This was found to be satisfactory; so the next problem was to interest the Board of Supervisors in the dilemma confronting the property owners of this vast area. This task was more difficult than it at first appeared.

For six months every meeting of the supervisors was attended by some one or all the members of the committee, attempting to bring

about the granting of the right to hold an election on the proposed district. This was granted in the early part of December, 1946, and the date of election was set for January, 1947. Little time was left to present information compiled by the Men's Club to the rest of the voters of the area. Nevertheless, the election carried by about a 4 to 1 majority.

Mr. Archie Wilson and Mr. John A. Mirassou, Mr. Currier Zanker, Mr. M. E. McCollam and Mr. H. O. Fiebig were appointed by the Board of Supervisors to serve as Fire Commissioners. They later appointed Mr. Henry Lingua as Fire Chief.

Chief Lingua, through his connections with the various war surplus boards, was able to obtain six trailer tankers of 2,100 gallon capacity each, at a great saving to the district. The department went into operation January 1, 1948, at which time personnel and equipment were housed in barns, prune sheds and the like, at six locations throughout the valley as designated by the fire underwriters. This equipment and personnel were so housed for about a year, then four new fire stations were completed, and equipment was moved into them. They are the present Alum Rock, Cupertino, Quito and Cambrian stations. At the same time a volunteer company, with equipment, was established in the San Tomas District.

Jefferson equipment and personnel continued in the barracks at the Oak Mead Farm until May, 1951, when a new station was completed across the street from Jefferson School. In March, 1951, the Headquarters Station on Tully Road was finished. This also houses the county communications office (radio) as well as a complete garage for the fire district equipment's repairs.

In June, 1951, a new station was built and established in the Evergreen District, across from the Evergreen School.

The present fire district consists of eight fire stations manned by 56 paid personnel with supplementary volunteers, and one station (San Tomas) manned solely by volunteers.

The Central district originally had no fire hydrants; today there are 400 in operation, with 50 more ordered for placement. Equipment includes 20,000 lineal feet of fire hose on wheels, a pumping capacity of 8,000 gallons per minute; also the department carries 18,000 gallons of water in its equipment in addition to the available fire hydrants.

In the spring of 1950, 11 equipment and stations had three-way radios installed; this has brought about a large saving to the district in operation costs.

The original tax rate was 36.4 cents per \$100 assessed valuation in 1947; in 1948 it was 34 cents; in 1949, 31.6; in 1950, 30; in 1951,

Home Extension Studies Grooming

"Good Grooming and Weight Control" will be the subject of discussion when the Cambrian Home Extension Club meets January 28 at 10 a. m. for its first session in the new Youth Center of Cambrian. The topic discussion will be led by a Home Adviser.

After luncheon Mrs. James Goble will speak on the Leader Training Conference which she attended in Berkeley in October.

A cake sale will complete the business of the day.

Cambrian Starts New 4-H Club

First meeting of newly formed Cambrian 4-H Club was held last Friday with the election of officers as the main item of business.

George Shambrook, "4-H Farm Advisor", acted as temporary chairman for the meeting until officers are installed.

Officers elected are: President, Don Bowden, Vice President, Peggy Cline, Secretary, Joyce Sturgeon; Treasurer, Virginia Cline; Reporter, Chuck Kaffer.

Meetings are to be held on the second Friday of each month between 8 and 9:30 p. m. at the Youth Center of Cambrian School. Anyone wishing to join between the ages of ten and 2 may obtain information by calling Campbell 4157.

28.8, and in 1952, 28.3. The rate was much lower than had been anticipated; the lowest estimate having been 35 cents after five years. The assessed valuation meanwhile, increased from \$45,000.00 in 1947 to \$98,000.00 in 1952. The insurance rate in the same period of time has decreased from \$1.10 to as low as \$.54 in a great part of the district as of that date.

The Cambrian Men's Club members feel that their efforts to bring this district into being have been justified and they proudly point out the fact that this district is listed as one of the best fire protected districts in the United States.

Cambrian Club Hears S.J. Mayor

Mayor Parker Hathaway of San Jose spoke before a meeting of the Cambrian Home and School Club, held January 7th in the Youth Center, on the subject of infantile paralysis. The talk was followed by the showing of a film concerning the March of Dimes, sent from the March of Dimes District Headquarters.

Mrs. Donald Lantz, president of the club, announced the co-chairmen for the Cambrian Mothers' March on Polio: Mrs. L. Mitchell and Mrs. K. Belser. Volunteers were called on for soliciting funds.

It was reported that the profits from the club's Christmas bazaar, which were \$647, were turned over to the Youth Center Building Fund.

The membership voted to have the next meeting in the evening so that fathers can attend; the meeting is scheduled for February 4th.

Mrs. Buck and Mrs. Briscoe volunteered to be co-chairmen representatives of the Home and School Club for the Scouts and Brownies.

Mrs. LAURA B. ARENDS of Maywood Avenue is visiting her aunt, Mrs. INA B. GEORGE, in Paradise. Mrs. Arends' son and daughter-in-law, Mr. and Mrs. E. M. ARENDS of Cambrian Drive expect her to return home on Saturday.

Two Car Accidents Recorded During New Year's Week

First automobile accident in Campbell in the New Year occurred at 5:15 p. m. New Year's Day at the intersection of Hamilton and Winchester when vehicles driven by Perfecto Jose Valler, 2422 Cummer St. San Jose and Rearyl Regal Spencer, 28, 3217 Payne Ave., San Jose, collided. Although no one was seriously injured Miss Spencer's vehicle was a total loss officers reported.

In another accident January 5, vehicles driven by Luther B. Enyart, 115 Dillon Ave. and Edward David Jenkins, 455 South 7th St., San Jose were damaged although occupants were unhurt.

SERVICE NOTES

Participating in the largest training exercise held by the Pacific Fleet since World War II, aboard the light cruiser USS Manchester, are two Campbell Calif. seamen, USN, Ralph L. Marsh, son of Ralph L. Marsh of 142 Alice Way, and Robert K. Lee, son of Mr. and Mrs. William D. Lee.

The vessel is a unit of the 26-ship task force, composed of cruisers, destroyers, destroyer escorts, submarines and service support ships. They are shooting at surface and air targets; repelling simulated enemy submarine and air attacks; exercising at replenishing and refueling underway; and executing intricate battle maneuvers.

The ships left from West Coast ports yesterday. The two-week operation will be broken by a visit to San Francisco, Calif., Jan. 10 and 11.

Rear Admiral Herbert G. Hopwood, USN, is in command of the exercises.

CAGERS AFTER SECOND SCVAL WIN AT MOUNTAIN VIEW TOMORROW NIGHT

Campbell High School basketball squad oppose a strong Mountain View quintet tomorrow night at 7:30 at Mountain View, in its second league outing of the new season.

The local squad, SCVAL cellar dwellers last season, jumped to an early lead in league standings as a result of a 63-29 defeat of Live Oak High, 1952 SCVAL co-champions.

Three other Valley teams posted wins in initial games last week, including Mountain View, James Lick, and Fremont, but Campbell whopped its opponent by the widest margin.

Mountain View, tomorrow's opposition, one of the league favorites in the budding season, scored 53 points in the opener and is considerably strengthened by the addition of Johnny Lozano, last year's lightweight player of the year.

In addition, a transfer from Texas named "Skip" Anderson who stands six feet two has been added to the Mountain View squad.

If the Bucs are victorious in tomorrow's contest they will have defeated the second of last year's co-champions, a moral factor, and an added note of optimism for successes in the coming season.

And Coach Bert Robinson has reason for optimism. Aside from the fact, that the Bucs have whipped their first opponent by the largest margin, five of seven pre-loss actions, have resulted in wins.

Reason for a winning feeling around the Buc roost centers about Tom Hansen, 6-foot 3-inch center, who specializes in rebounds, and Charley Cantoni, 6-foot 3-inch letterman guard, one of the most improved men on the squad according to coach Bert Robinson.

Up from last year's lightweights are Dennis Kelly and Harold Shumway, a pair of five-foot 10-inch seniors who have shown hustle in pre-season games.

Kelly made lightweight All SCVAL second team in 1952 while Shumway was honorably mentioned.

In the reserve department, but bucking for a regular berth is Eric Protiva, a junior who came

BUMPER BABY CROP PROMISED FOR NEW YEAR

Population of Campbell is growing by leaps and bounds as every one knows and the new year promises to continue, judging from this week's stork deliveries to the area.

First arrival, Steven Alan Brown was born to Mr. and Mrs. Carl H. Brown, of 37 E. Rosemary Lane, followed 11 hours later by a daughter born to Mr. and Mrs. Darrel Hughes, of 40 Dillon Ave., who arrived at 10:13 p. m. on the first.

Probably the most unexpected delivery was a set of twins a boy and girl born to the Hugh Nelson's Tuesday.

A seven pound 14 ounce boy, Denis Keith, was born to Mr. and Mrs. Charles Rogers, 169 North First St., at O'Connor Hospital Monday evening.

"Chuck Rogers owns Cambrian Garage. New mother worked at Shaw's Bluebell Cafe a short while ago.

Campbell Youths Confess To Auto Parts Thefts

Campbell Police Department solved the first and only burglary of the new year when they apprehended three Campbell juveniles aged 13, 14, and 17 Tuesday night for stealing radiators from the wrecking yard of Harry Weisend two weeks ago.

After questioning the youths confessed to stealing the parts. They sold them to San Jose auto wreckers, they said, for \$23.00.

The boys were taken to Juvenile Hall to await trial.

SUP. JUDGE TWAIN MICHELS, S. F., "The most misleading word in the legal dictionary is 'brief'. I just finished wading through a 'brief' that was 430 pages long."

Cagers Shape Up With Two Wins Over Alumnni

Bert Robinson's Campbell High School cage kept in shape for their first league contest tomorrow night at 7:30 in the local gym against Live Oak, by whipping the CUHS alumni in two contests last Friday 43-42 and 47-32.

Campbell Varsity had to move to whip the former High Schoolers, but managed to eke out a one point victory in an overtime period.

The 30's however, had no trouble dunking alumni 30's in a fast-moving high scoring 15 point victory.

High scorer of the evening was alumni Johnny Oldham with 19, followed by varsity forward Dick Jordan who bucketed a total of 13 points. Runners up were Buzz Freitas with 10 for the Alumni and Varsity Bill Sutterfield with nine.

Other Alumni scorers were Nick Tersigni, Hal Layman, Stair Gazay and John Cowden.

Varsity was represented by Trent Barton, Dennis Kelly, Hal Shumway, Tom Hansen, Ken Beth, Tony Schraub, Tom Hill and Charley Cantoni.

For the 30's Dick Jordan, Dick Buck, Marshall James, Gil Manriquez, Gery Hoover, Ben Yates, Dick Takaha and Jerry Hansen did the scoring.

CAMPBELL GRAMMAR SCHOOL GETS NEW MUSIC STUDY ROOMS

Mrs. E. Christian Has Passed Away

Mrs. Elsie Christian succumbed to an illness December 30 after eight days of hospitalization. Mrs. Christian was the wife of Harvey E. Christian of Sunnyside Avenue and the mother of Louise Christian, 12 1/2, and Kenneth Christian, 10. Besides two brothers in Chicago Albert and Harold she survived also by her father, Frederick Humphrey of Santa Rosa, and her mother, Mrs. Elsie Humphrey of Chicago, who is staying with the Christian family in Campbell at present.

Mrs. Christian was an unflagging and ardent worker for the First Baptist Church of San Jose, for which she served as secretary of the Sunday School for a year, and was at the time of her passing, secretary of the Ladies' Circle. In spite of invalidism through much of her brief life, she achieved her high purpose both for her church and for her children, to whom she has left a heritage of Christian fellowship and community service.

Born in Oak Park, Illinois, Mrs. Christian had lived in California for seven years, in Campbell for four years. She was 36 years old. Services were held at the Chapel of the Psalms, and interment was at Oak Hill Cemetery.

One of the most complete instrumental music rooms in Santa Clara County Schools opened recently at Campbell Elementary School.

The newly-constructed quarters include a main rehearsal room, smaller ensemble room, four practice rooms, instrumental storage, locker rooms and office.

Th large rehearsal room is about 25 feet by 38 feet and has a curved irregular baffle on walls to cut echo and absorb sound.

Practice rooms have acoustically treated walls and doors are of double thickness.

Richard Gordon is instrumental teacher at Campbell Grammar School.

THE VICTORY

Man lives but once. He runs his race and then He goes to sleep, no more to talk with those He knew along the way, as on his toes He strove to keep abreast of other men. A fierce and frenzied course it is, indeed, Bset with trials too, at every turn, But Fate is kind to all who will but learn The lesson clear, which all who run should heed: That in this fierce and frenzied race of life, The victory lies with him who bears his load Amid the heat and burden of the road With heart affected not by daily strife, As finds he time for family, home and wife, While pressing on to reach his Last Abode.

A choice selection to remind us of the better things of life.
